

ECOTANK

Ecological private mobile station

PRIVATE
QUALITY
MOBILITY

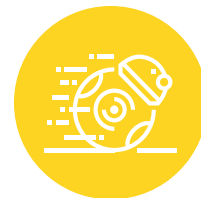

Private

The LAFON ECOTANK is a complete station for private use. A simple or double-wall tank is available on a skid with a platform.

Quality

A tank manufactured under ISO9001-2015 control quality and in accordance with the European Standard EN 12285-2 on reinforced cradles.

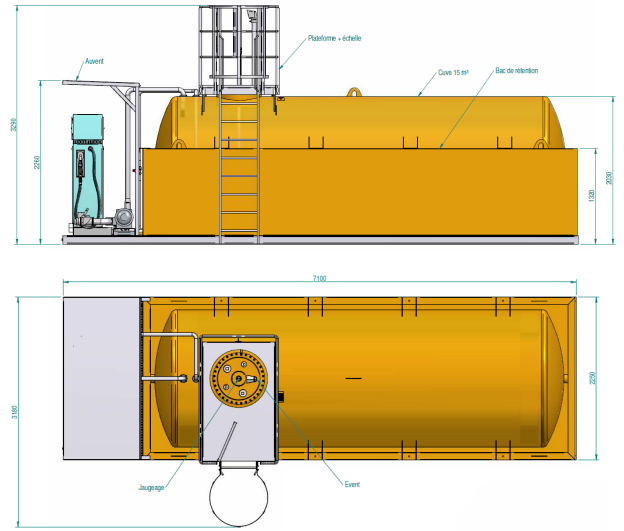

Mobility

Easy to transport "empty" to be operated at different sites (degassing certificate is mandatory).

ECOTANK

+ PRODUCT

- Equipped with a filling limiter (decanting)
- Equipped with an anti-siphon valve (suction)
- Mono or dual compartment
- Distribution, left/rear or right
- Version DN1.90m can be containerised
